VERDICT \$4,075

AUTOMOBILE

DAMAGE SUIT

Kalamazoo, Mich.,

April 2nd, 1919.

In the Circuit Court today the jury brought in a verdict of \$4,075 against J. Allen Snyder to recover for injuries sustained by Fredrick Ulthoven as a result of an automobile accident in which it is claimed that Fredrick Ulthoven has suffered injuries of a serious nature. J. Allen Snyder was insured in one of the small insurance companies which gave him protection for \$800 for liability and he will have to pay the amount of \$3,275.

As the result of this verdict automobile owners are much interested in the policy of insurance they take. The Big Mutual Automobile Insurance Company of Howell, protects the owner of the car against damage claims made against him above \$25 up to \$5,000. During the five seasons that the Company has been operating, no member has had to pay to exceed \$25 upon a claim, as the policy has been sufficient to take care of large claims.

Automobile salesmen are taking more interest in insurance and are recommending the Citizens Mutual Automobile Insurance Company of Howell, as it has a large reserve fund of \$65,000 and monthly income sufficient to pay \$15,000 of claims per month.

This is the only mutual that has so large a reserve fund to meet the serious losses.
